## SMDP OVERVIEW

### 2022 SMDP Training Sessions:

**SMDP Biotech:** Jun 11-15, 2022, San Diego

**SMDP MedTech:** Oct 22-26, 2022, Boston

The career mentoring program pairs ethnically diverse post baccalaureate and graduate students with mentors who work at biotech, consumer healthcare and medtech companies.

With their mentors, SMDP Scholars attend a training session to learn about career opportunities in industry and receive career development coaching. They also attend a major industry conference.

For one year after the training session, SMDP Scholars carry out a personalized mentoring plan which helps to prepare them for industry careers.
