Scientist Mentoring & Diversity Program for Biotechnology (SMDP Biotech) 2015/2016 Training Session Jun. 13-18, 2015 in Philadelphia, PA

The one-year career mentoring program pairs ethnically diverse post-baccalaureate students, graduate students and post-doctoral researchers with industry mentors who work at biotechnology companies.

With their mentors, SMDP Biotech Scholars attend a 5-day training session to learn about career opportunities in the biotechnology industry and receive career coaching. SMDP Scholars and Mentors also attend a major biotechnology convention.
