

ELISA Membership

ELISA is an entrepreneurship ecosystem, our diverse and influential member network includes innovative individuals, companies and organizations with an interest in Africa who value opportunities to connect, share ideas and develop viable partnerships.

portal features and member levels

Portal Profile

Manage your member profile and photo, update your professional biography, set communication preferences and more.

CONFABS

Build relationships and make new connections. ELISA portal users receive an invitation to attend virtual meetings featuring inspirational speakers and small group breakout sessions with other members.

We randomly select a new group of participants to join your CONFAB each month so you can meet other entrepreneurs and grow your network.

Community Bulletin

A weekly snapshot of ELISA portal activity and curated content in your email inbox.

Project pages

Design your own online pages. Publish, brand and promote your work, products, projects, or company.

ELISA Summit

In addition to bringing together 250+ attendees, to shape a transformational business strategy for the continent of Africa, the summit supports and celebrates the ELISA Scholars, a cohort of entrepreneurs and founders with bold ideas for solving Africa's greatest challenges.

Attendees include global business leaders, investors, venture capitalists, philanthropists, academics, policy makers, trade groups, civil society, founders and entrepreneurs at every stage of their journey.

Bootstrap Briefs

Access self-paced entrepreneurial and leadership content. A new topic is added to the ELISA portal every Tuesday.

ELISA Scholars

We support, celebrate, and train a new cohort of high potential, Africa focused founders and entrepreneurs each year as part of ELISA Scholars

Networking

Rapidly build a professional network. Find contacts and chat using private notes and make valuable connections

Curated activities and social time ensure that participants make new contacts and build genuine, lasting relationships while gaining insight and growth strategies for business expansion in Africa.
