JOIN US

The International Center of Professional Development (ICPD) is proud to bring the Philadelphia biotechnology community together to celebrate mentoring and diversity at an event showcasing graduate students and postdoctoral researchers receiving scholarships for the 2015 Scientist Mentoring & Diversity Program for Biotechnology (SMDP Biotech).

SPEAKERS

Event Host
Charlene Mills
Vice President, Human Resources at Janssen Pharmaceutical Companies of Johnson & Johnson

Keynote
Eve Higginbotham SM, MD
Vice Dean for Inclusion & Diversity at Perelman School of Medicine University of Pennsylvania

GUESTS

Guests will include public and private-sector representatives from within the Philadelphia region who have an interest in mentoring and diversity in the biotechnology industry and who support STEM education. SMDP Biotech Scholars, Mentors and sponsor company representatives will also attend.

REGISTRATION

No cost. Advance registration is required, contact: Dustie Savage at 951.599.4956 or by email at dsavage@icpdprograms.org
